

# Purpose Of The International Bible Institute READING LIBRARY

## Welcome To The IBI Library

This is one of the most exciting libraries that you have ever encountered. You will discover in the **IBI Library** unique books that will change your life. These books will fulfill your greatest spiritual needs in order to enhance your life as a disciple of Jesus. Therefore, this is a one-of-a-kind opportunity to access through your smartphone a program for spiritual books that will help you to grow spiritually. Keep in mind that this is a totally **paperless** library that is specifically **formatted for**

**mobile phones**. As you read through the **IBI Library** volumes, you will discover subjects that will bring you into a closer relationship with God. So please keep one thing in mind during your reading: **The books of the IBI Library are strictly focused on study of the Bible**. These are volumes that have been prepared

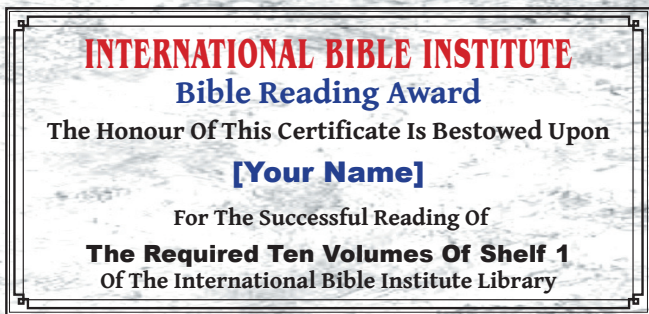

over decades for serious Bible study. As you read each volume, therefore, keep in mind that there are millions of people worldwide who have been reading these same books.

### ~ Read To Be Awarded A Certificate ~

Enrolling in the **International Bible Institute Reading Program** means that you can receive a certificate for completing the reading of **ten volumes** of each particular shelf of volumes in the **IBI Library**. Once you complete the reading of each particular shelf of ten volumes, your IBI Librarian will award you with the

following certificate:

### ~ Start A Discussion Group ~

It may be that you have considered starting Bible-reading groups with your friends. The great news about the volumes on the shelves of the **IBI Library**

is that many of the volumes have been written with questions, and thus, offer the opportunity that the volumes can enhance the

Bible discussions among friends who have likewise read the volumes on their smartphones. Some of the volumes on the first two shelves contain first principle teachings of the gospel. If you want to start a Bible-reading group with the volumes, then the following are some important points to consider:

- ▶ Many of the volumes contain programmed text questions for study. In other words, the volumes teach themselves. By answering the text questions as a group, readers better learn the material as they proceed through a particular volume.
- ▶ Many of the volumes have “classroom discussion questions.” These questions are included in order to encourage your discussion group, or class, to discuss key subjects as a group-learning experience.
- ▶ Please keep in mind that your Bible discussion group can be completely paperless. Since all the volumes are formatted for smartphones, then all those who have a smartphone need only this device in order to participate

in the discussion.

► What you can offer to all participants in the discussion group is an opportunity to engage in regular group discussions at any location. Think of the tremendous advantage this is in giving others the opportunity to be spiritually directed through a selected curriculum of Bible subjects and discussions.

### ~ Bible Volumes For Existing Schools ~

It may be that you already have an existing Bible school, but need more textbook material for the

Enhance Your Curriculum

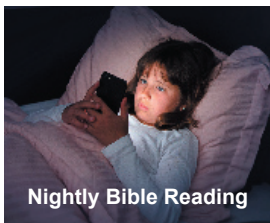

students in order to enhance their research in the Bible. There is a vast assortment of volumes on the shelves of the **IBI Library** that can

be a significant addition to enhance your school curriculum.

(As librarians of the **IBI Library**, we will continually add more volumes to the existing selection that is on the existing website shelves. Therefore, you must check into the **IBI Library** periodically in order to see what volumes have been recently formatted for smartphones and added to the Library. These volumes can be added as courses to your curriculum.)

### ~ Night-Time Devotional Reading ~

There are many ways the books of the **IBI Library** can be used in order to grow spiritually. For example, many devoted disciples read a book at night before prayer and sleep. Christian families often have evening family devotions that

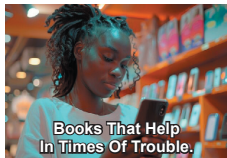

Nightly Bible Reading

are centered around reading books that are Bible oriented. Since the volumes of the **IBI Library** are all formatted for smartphones, then one has the opportunity of lying down

at night and reading from his or her smartphone in a landscape position, any book of the **IBI Library**.

## ~ Bible Reading For Counseling ~

One of the tremendous advantages of the volumes of the **IBI Library** is that one can select from the Shelves and download those volumes that aid in subjects as marriage and family counseling. If one knows the key volumes that deal with relevant subjects in reference to problem areas of life, then he or she can ask the **IBI Librarian** to suggest a book to be read that deals with a specific problem with which one is struggling. Volumes on developing one's character, church leadership, and building one's faith are books that you will eventually read in this program.

## ~ Giving A Helping Hand ~

The **IBI Library** is a unique offer of Bible studies for people of faith around the world. You can be a part of this ministry by helping in the following way:

▶ Because all the **IBI Library** volumes are formatted for smartphones, you can download and share them with all your friends who seek continued

Bible study. **Please ask them specifically to also share the volumes with all their friends.**

**Thank you for partnering with us in order to share valuable Bible material through WhatsApp to a world that seeks word from God.**
